Anne Marie Brady
Senior Campaign Finance Analyst

Dear Ms. Brady,

I have today filed an amendment to our 2004 Year End Report. The column B totals for lines 17, 20, and 21 are now correct.

The problem occurred because some disbursements made after November 2, 2004 were coded for the 2004 General Election rather than the 2006 Primary Election. The coding for those disbursements has now been corrected.

Sincerely,
Marlys Matuszak
Treasurer
